

RESOLUTION NO. _____

“A RESOLUTION APPROVING AND/OR ADOPTING THE UPDATED CAGAYAN DE ORO CITY CONTINGENCY PLAN ON DROUGHT IN THE AGRICULTURE SECTOR”

WHEREAS, Section 2 (a) of R.A. 10121, otherwise known as the Philippine Disaster Risk Reduction and Management Act of 2010, provides that it shall be the policy of the State to “uphold the people’s constitutional rights to life and property by addressing the root causes of vulnerabilities to disasters, strengthening the country’s institutional capacity for disaster risk reduction and management and building the resilience of local communities to disasters including climate change impacts”;

WHEREAS, Section 2 (l) of R.A. 10121, recognizing that the policy of the State which “recognized and strengthened the capacities of LGU’s and communities in mitigating and preparing for, responding to, and recovering from the impacts of disasters”;

WHEREAS, Section 12 (c) of R.A. 10121, likewise states that the “The Provincial, City and Municipal DRRMOs or BDRRMCs, in coordination with concerned national agencies and instrumentalities, shall facilitate and support risk assessments and contingency planning activities at the local level.”;

WHEREAS, Section 6 (6.1.1) of the NDRRMC and NSC - JMC No. 1 Series of 2016 states that ““All DRRMCs at all levels, CMCs at the local level, and individual government departments, bureaus, agencies, offices, units, and instrumentalities shall formulate contingency plans for natural and/or human-induced hazards appropriate to their areas in accordance with the prescribed Contingency Planning Guidebook.”;

WHEREAS, Section 6 (6.1.2) of the NDRRMC and NSC – JMC No. 1, 2016 recognizing that “Other governance stakeholders, including civil society organizations and the private sector, are enjoined to adopt the Contingency Planning Guidebook for formulation of their respective contingency plans.”;

WHEREAS, the CDRRM Council deem it equally important that a City Ordinance be enacted in order for the Contingency Plan on Drought to serve as a management tool in an emergency situation that aims to (1) set out the scale of response and resources needed, (2) make decisions about the management of human and financial resources, coordination and communications procedures, (3) be aware of a range of technical and logistical responses in undertaking effective disaster-relief operations;

BE IT RESOLVED, as it is hereby resolved that this aforementioned Contingency Plan on Drought be endorsed, adopted, approved and recommended to the City Council for the enactment of a City Reso;

UNANIMOUSLY APPROVED, this 24th day of October 2023 in the City of Cagayan de Oro.
